## FRIDAY PUZZLE SOLUTION:

$$
\text { Gummy Bear }=16 \text { Lollipop }=16 \text { Lime Gummy }=0 \text { Ring Pop }=4 ?=36
$$

Hello everyone, here is this week's review and enrichment opportunities.
KHAN ACADEMY - Please continue to email me and I can help you login to our class and get started on the assigned lessons. I have your usernames and passwords and will send it to you.
Emailing work - Email your work to me by either taking a picture of it or scan it in using your printer. You can attach more than one picture per email. Use the paperclip icon to add additional pictures to your email. If you are having trouble with this let me know and I can help. If you finish your weeks' worth of work early feel free to send it to me when you finish, this makes it easier for me to give you feed back quickly.

## Monday 4/27 - Decimal Arithmetic

Click on the Mathantics link. You will have to navigate down to the lesson Decimal Arithmetic. https://mathantics.com/auth/site-share/RdamOYBoxoaij 4

Watch the video - click on the YouTube button if you are having trouble viewing it.

1. Click on the Exercises button - write the problems down on a piece of paper. If you are comfortable with this skill do the problems.
a. If you need more direction watch the Exercises Video and do the problems with Rob.
2. If you finish early click on the Worksheets button and choose a worksheet to do for extra practice. Do the work on a piece of paper.
3. I have provided you with the answer keys to check your work, please be honest and use them only to check your work.

## Tuesday, 4/28 -

1. Log into KhanAcademy.org and work for approximately 30 minutes.

## Wednesday, 4/29-Multiplying Fractions

1. Click on the Mathantics link. You will have to navigate down to the lesson Multiplying Fractions.

## https://mathantics.com/auth/site-share/RdamOYBoxoajj4
